

Emergency Medical Technician (EMT) Licensure Disclosure

Upon completion of [ECP 130 Emergency Medical Technician](#), students will be eligible to sit for the National Registry of Emergency Medical Technicians (NREMT) certification examination. For more information, visit the [National Registry of Emergency Technicians](#) website. Upon successfully passing the EMT certification exam, students may apply for EMT licensure through the Montana Board of Medical Examiners.

This disclosure indicates the states that FVCC has determined through a reasonable, good faith effort that ECP 130 meets or does not meet the educational requirements for licensure or certification, or for which states FVCC has yet to make a determination.

If you are planning to pursue professional licensure or certification in a state other than Montana, we recommend contacting the appropriate licensing board in that state to seek information and guidance regarding licensure or certification requirements before beginning an academic program.
